

REMARKS

All of the Claims are listed to overcome the rejection of lime A.

Cancelled Claims are included to overcome the rejection of line B.

The proper status identifier has been added to each Claim to overcome the rejection of line C.

The additions to amended Claims are underlined and deletions to amended Claims are enclosed in square brackets, '[]', as applicant's word processor does not have an overstrike capability, to overcome the rejection of line E.

The corrected listing of the Claims made to apparent that the prior amendment to Claim 1 had labels f). g), h), and i) which broke the order and should have been e), f), g) and h).

The case is now in condition for allowance and a favorable action is hereby requested.

Respectfully submitted,

A handwritten signature in cursive script that reads "Alfred Boyd Freeman".
